Materials:

- Empty, clean can
- Mod Podge®
- Ribbon
- Tissue Paper
- Brush
- Glue
- Scissors

Directions:

1. Remove outside label from can
2. Cut 8 pieces of ribbon to hang from the bottom & one 6 inch piece
3. Glue on 8 pieces of ribbon to the bottom of the can.
4. Glue on the 6 inch ribbon on the top of the can, end on each side so you can hang your can
5. Select desired colors of tissue paper and tear them into small pieces
6. Grab a brush and apply a layer of Mod Podge® on your can.
7. Then, lay colored tissue paper and apply another layer of Mod Podge® over tissue paper.
8. Repeat steps 5-7 until you have the the desired amount of tissue paper on can.
9. Allow 24 hours for the can to dry.
10. Hang your windchime outside & enjoy!

Tip: Use a smooth edge can opener to ensure there are no sharp edges.
